Dear Sir/Madam,

Sub: Corrigendum to the Annual Report for the Financial Year 2022-23

Ref: Regulation 34(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

We refer to our letter dated September 07, 2023 attaching the Annual Report of the Company for the financial year 2022-23. Please note that an inadvertent typographical error was noticed in the Financial Statements forming part of the Annual Report of the Company after dispatch to the Shareholders through electronic mode on September 07, 2023.

In this regard, please note that following changes made in the Annual Report for the financial year 2022-23.

1. On page number 101, the other current assets amount should be read as Rs. 432,351.15 hundred instead of Rs. 160781.82 Hundred.
2. On page number 106, Note no 9 for other current assets, amount of Advance to Material/Service Providers* should be read as Rs. 271,569.33 hundred instead of Rs. 0.00

In the view of above we are enclosing herewith the revised Annual Report of the Company for the financial year 2022-23 after incorporation of the above changes and the same is also available on the website of the Company at www.bglgroup.in.

Other contents of the Annual Report remain unchanged.

This is for your information and appropriate dissemination.

Thanking you,

Yours faithfully,
For Bhagawati Gas Limited

About Us

Bhagwati Group

In 1974, the visionary Late Shri B. P. Bhardwaj laid the foundation of an enterprise that aimed to become the foremost and most dependable provider of value-driven services. This marked the inception of the Bhagawati Group. Over time, the group has evolved into a key player in various industries.

Initially established as a trading entity, Bhagawati Group swiftly transitioned into a significant contributor to the industrial landscape. One of its remarkable achievements was the establishment of on-site Air Separation Plants, enabling the reliable supply of oxygen through pipelines to copper smelters. This not only showcased their technical prowess but also solidified their reputation as a reliable supplier.

Moreover, Bhagawati Group took a leap forward by delving into the production of specialized Glass Reinforced Polymer (GRP) pipes and an array of GRP Pultruded products. This demonstrated their commitment to innovation and adapting to market needs.

The group's commitment to environmental responsibility is evident through its engagement in Bio-Remediation, specifically Phyco-Remediation, a process aimed at rejuvenating wastewater. This initiative reflects their dedication to sustainable practices and the well-being of the environment.

The journey embarked upon as a trading company was not only about survival but about thriving. Bhagawati Group's trajectory led them to become producers of industrial gases, serving the copper smelter industry via on-site Air Separation Plants. Their journey expanded further as they diversified into the manufacturing and casting of Iron and Steel products. This diversification enabled them to cater to both local and international markets, solidifying their position as a versatile player in the manufacturing sector.

Our Vision

The Bhagawati Group is firmly committed to delivering exceptional value to multiple stakeholders, ranging from customers and shareholders to employees and society as a whole. This commitment underscores the group's holistic approach to business and its aspiration to contribute positively on multiple fronts.

Customers:

The core of the Bhagawati Group's mission is to provide superior value to its customers. This involves offering high-quality products and services that meet or exceed customer expectations. The group continuously strives to understand the evolving needs and preferences of its customers, adapting its offerings to provide relevant and innovative solutions. By consistently delivering value to customers, the group aims to build long-lasting relationships, foster trust, and become the preferred choice in its respective industries.

Shareholders:

Recognizing the trust that shareholders have placed in the group, Bhagawati Group is dedicated to optimizing its financial performance and generating sustainable returns. This involves efficient resource management, strategic investments, and transparent communication about its financial health and growth prospects. By prioritizing the interests of shareholders, the group seeks to enhance their confidence in its ability to deliver value and achieve long-term growth.

Employees:

The Bhagawati Group recognizes that its employees are key drivers of its success. To deliver superior value, the group fosters a conducive work environment that encourages employee growth, development, and well-being. This includes opportunities for skill enhancement, career advancement, and a safe, inclusive workplace. By nurturing its workforce, the group ensures that employees are motivated, engaged, and empowered to contribute their best, ultimately leading to enhanced productivity and innovation.

Society at Large:

The Bhagawati Group's commitment extends beyond business transactions to its impact on society. It takes a responsible approach to its operations, incorporating ethical practices, environmental sustainability, and community engagement. Through initiatives like Bio-Remediation, the group demonstrates its dedication to environmental preservation and sustainable practices. By engaging with local communities, supporting social causes, and adhering to ethical business standards, the group contributes positively to the broader societal fabric.

If holding shares in physical form, Members are requested to inform their e-mail ID to the Company.

Members/ Proxies and authorized representatives should bring the attendance slip duly filled in for attend the meeting.

13. Members who hold shares in dematerialized form are requested to write their Client ID and DP ID Numbers and those who hold shares in a physical form are requested to write their Folio Number in the Attendance Slip for attending the meeting.
14. Shareholders seeking any information and having any query with regard to accounts are requested to write to the company in advance so as to enable the Management to keep the information ready.
15. Members are requested to bring their own copies of Annual Report; no spare copies will be available at the venue of meeting.
16. The company whole-heartedly welcomes members/proxies at the annual general meeting of the company. The members/ proxies may please note that no gifts/ gift coupons will be distributed at the annual general meeting.
17. Pursuant to SEBI circular dated April 20, 2018, the Company is required to update the PAN and Bank details of shareholders holding shares in physical form, in case their folios do not have or are having incomplete details with regard to PAN and Bank particulars. Accordingly, the Company has sent reminder letters to such shareholders, requesting them to furnish their PAN and Bank details to the Company for updation. Shareholders holding shares in physical form are requested to update the same along with requisite supporting documents.

18. The Register of Directors and Key Managerial Personnel (KMP) and their Shareholding maintained under Section 170 of the Companies Act, 2013, Register of contracts and arrangements in which Directors are interested maintained under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice, will be available for inspection by the Members at the Registered Office of the Company on all working days during business hours and at the time of AGM of the Company at the venue of the Meeting.
19. In compliance with the provisions of section 108 of the Companies Act, 2013 and the Rules framed thereunder read with Regulation 44 of SEBI (LODR) Regulations, 2015 and Secretarial Standards on General Meetings as issued by ICSI, Company is offering e-voting facility to the shareholders to enable them to cast their vote electronically on the items as mentioned in the Notice. For this purpose, the company has engaged the services of **Central Depository Services (India) Limited (CDSL)** for providing e-voting facility to enable the shareholders to exercise their right to vote through electronic means in respect of businesses to be transacted in the AGM. Those shareholders, who do not opt to cast their vote through e-voting, may cast their vote through Ballot Paper at the AGM.

The instructions for shareholders voting electronically are as under:

- A. In case a Member receives an e-mail from CDSL (for Members whose e-mail addresses are registered with the Company/Depositories):
 - i. The voting period begins on **Wednesday, September 27, 2023 (9.00 A.M. IST) and ends on Friday, September 29, 2023 (5.00 P.M. IST)**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Saturday, September 23, 2023** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter and shall not be allowed to change it subsequently.
 - ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
 - iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated **09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing

Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demataccounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

2	Mr. Ganga Charan	Chairman	4	4	100

The Audit Committee meetings were also attended by the statutory auditors, wherever necessary. The Audit Committee is responsible for overseeing the Company's financial reporting process, reviewing the quarterly/half yearly/annual financial statements, reviewing with the management the financial statements and adequacy of internal audit function, recommending the appointment/re-appointment of statutory auditors and fixation of audit fees, reviewing the significant internal audit findings/related party transactions, reviewing the management discussion and analysis of financial condition and result of operations and also statutory compliance issue. The committee acts as a link between the management, external and internal auditors and the Board of Directors of the Company.

In addition, the committee has discharged such other role/function as envisaged under Regulation 18 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the provisions of Section 177 of the Companies Act, 2013.

The Committee invites such of the executives as it considers appropriate, representatives of the statutory auditors and internal auditors, to be present at its meetings.

The Company Secretary acts as the Secretary to the Audit Committee.

The previous Annual General Meeting of the Company held on September 30, 2022 was attended by Ganga Charan, Chairman of the Audit Committee.

NOMINATION AND REMUNERATION COMMITTEE

During the financial year 2022-23, Within the Board of Directors, the Company retained a solitary Independent Director due to unavailability of a suitable candidate meeting the required criteria. Therefore, the composition of Nomination and Remuneration Committee is not in accordance with the requirements of the Section 178 of the Companies Act, 2013.

As on March 31, 2023, the Nomination and Remuneration Committee consists of two (02) members out of which Mr. Ganga Charan is Non-Executive Independent Directors and Mrs. Shachi Bhardwaj is Non-executive director. The committee is chaired by Mr. Ganga Charan (Non-Executive Independent Director). The purpose of the committee is to screen and review individuals qualified to serve as executive directors, non-executive directors and independent directors, consistent with criteria approved by the Board, and to recommend, for approval by the Board, nominees for election at the AGM.

During the year, Two (2) meetings of Nomination and Remuneration Committee were held on (i) May 30, 2022, (ii) November 14, 2022, which was duly attended by all the Committee members.

The composition of the Nomination and Remuneration Committee and the attendance of the members at the meetings of the Nomination and Remuneration Committee held during the financial year 2022-23, are as follows:

MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT

The Management of the Company is pleased to present its report on the Industry Scenario including on the Company's performance during the financial year 2022-23.

Global economy overview

Indian Economy REVIEW

In 2022-23, the country was marked with the outbreak of the second and third wave of the COVID-19 pandemic. Though the impact of the third wave was not much, the second wave took a heavy toll on the economy and people's lives. Following the onslaught of the second wave of COVID-19, India's economy was headed for a recovery.

THREATS, RISKS AND CONCERNS

The Company is concerned about prevailing exposure norms, financial position, entry of new players in the market, rising competition from banks & multilateral agencies, uncertain business environment, fluctuation in rupee, likely increase in cost of capital due to volatile market conditions. Further, the state of business and policy environment in the country also has a cascading effect on the interest-rate regime, cost and availability of raw materials and gestation period & capital outlays required for raw material. General economic conditions may also affect the capacity and production of the company.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

As on date your company is doing business activity of supply and installation of medical oxygen gas plant and the Company is continue doing the business of treatment of waste water and water bodies like River, Lake, Pond, Drain etc. as well treatment of Industrial effluents by using Phycoremediation technology.

OUTLOOK

During the financial year 2022-23, the Company supplied a medical oxygen gas plant to UP State PWD. The Company is looking more opportunity for installation of such medical oxygen plant. In addition, after 2 years pandemic, the Company received orders for cleaning of water bodies which were executed during the year. The Company is hopeful of getting more business in such activities during the year.

In the gaseous business during the year, the Company has participated in EOI floated by THDC India Limited a Govt. Undertaking for putting-up a Green Hydrogen Plant in their premises in Rishikesh.

Further the Honorable Prime Minister has laid emphasis for use of Hydrogen as alternative source fuel which is also in no polluting Clean Energy.

Bhagawati Gas Limited has in principal made an understanding with a Canadian Company for supply of Technology, Engineering and sourcing of plant and equipment for production of Green Hydrogen.

But the increasing government regulations and focus on water and water management such as the Swachh Bharat Mission, the Clean Ganga initiative, the National Rural Drinking Water Programme, along- with stricter enforcement of the environmental norms for polluted water discharge, reduced carbon footprint, waste water treatment and requirement of zero liquid discharge plants from various industries will also drive the demand for water and wastewater treatment solutions.

During the period under review, your company took the initiative to diversify its activities and decided to enter into the business of Waste water treatment through phyco remediation technology. Technical papers have been prepared and technical presentation has been conducted before various Government Departments including “Navami Ganga Authority”. Your company is expecting to get good business in this area in the coming years.

Rapid urbanization, dwindling fresh water reserves, a widening demand-supply gap and a depleting groundwater table will keep the water treatment business thriving for a long time. An Ernst & Young (E&Y) study says the Indian water sector could require investment of around \$130 billion till Wastewater management, in particular, is emerging as a key thrust area. Water availability is a huge challenge for everyone today in industry, and decisions on industrial locations are now taking into account the availability of adequate water. Public awareness is also growing very fast with the Internet explosion as information flows across geographies in minutes.

The Indian water and wastewater market is growing at a steady rate of 10-12 percent every year. Government-related projects contribute over 50 percent of the revenues in this market while private sector funds constitute the rest of it.

With the growing rate of industrialization and urbanization India faces up with the major challenge of providing for the robust and clean water supplies for all

domestic and commercial needs. Also, a conscious effort is on from Government in regards to reduce the pollution levels amongst country's fresh water river sources and better accommodate the guidelines and regulations for maintaining the clean sources of water.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company maintains an adequate system of Internal Controls including suitable monitoring procedures to ensure accurate and timely financial reporting of various transactions, efficiency of operations and compliance with statutory laws, regulations and Company policies. Suitable delegation of powers and guidelines for accounting has been issued for uniform compliance. In order to ensure that adequate checks and balances are in place and internal control systems are in order, regular and exhaustive Internal Audit of Office/plant are conducted by the in-house Internal Audit Division and external professional audit firm. The Internal Audit covers all major areas of operations, including identified critical/risk areas, as per the Annual Internal Audit Programme. The Audit Committee of Directors periodically reviews the significant findings of different Audits, as prescribed in the Companies Act, 2013 and in the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

FINANCIAL AND OPERATIONAL PERFORMANCE

During the period under review, your company diversifies its business activities in the business of Waste water treatment through phyco remediation technology and supply and installation of medical oxygen gas plant. Technical papers have been prepared and technical presentation has been conducted before various Government Departments.

Your company is expecting to get good business in this area in coming years.

KEY FINANCIAL RATIOS

During the year, on a Financial Statement, there was no significant change in the financial ratios compared to that of the previous year.

HUMAN RESOURCES/ INDUSTRIAL RELATIONS

Human resource management practices and processes play an active role at the company. The HR function is responsible for institutionalising the values amongst the employees through robust foundation architecture, organisational effectiveness and strong winning culture. We nurture our employees for the long run through a structured role architecture and job responsibilities. Our workforce planning and

segmentation further help our employees evolve in their career progressions. This leads to high performance culture and brings in a sense of maturity to handle larger responsibilities and further accelerate into leadership roles.

The company has a competency based performance and potential appraisal systems for identifying and developing managerial talents and is reviewed on an ongoing basis. Emphasis is laid on providing adequate training to its employees, to meet the attitudinal and cultural values of the organization ethos to achieve customer satisfaction. As on March 31, 2023, the Company's total Manpower stood 13 employees.

INTERNAL CONTROLS SYSTEMS

The Company's internal control systems adequately includes set of rules, policies and procedures that drive business, increase efficiency and strengthen adherence to policies. These controls and systems are designed keeping the nature of our business, its size and complexity in mind. Our statutory and internal auditors review our business and procedures on a periodical basis to avoid errors and a systematic flow of our business activities. All the significant observations, if any, are duly acted upon promptly. Reports of the same are thoroughly reviewed by the Audit Committee at their meeting.

The internal control systems are supplemented by an extensive program of internal audits. The internal audit function is empowered to examine the adequacy, relevance and effectiveness of control systems, compliance with policies, plans and statutory requirements.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. Other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to

issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on other Legal and Regulatory Requirements

1. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
2. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
3. Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the IND AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors of the Company as on March 31, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- g. **With respect to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014,(as amended), in our opinion and to the best of our information and according to the explanations given to us:**
 - i. The Company does not have any pending litigations which would impact its financial position except the following cases:
Delisting matter:
 The Company has filed an appeal before the Securities Appellate Tribunal ("SAT"), Mumbai, against the order dated 11th May, 2018 by which the appellant Company has been delisted under Regulation 22(2) of the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009, for condoning the delay but an appeal for condonation of delay was rejected and dismissed by SAT by passing the order dated November 11, 2019. The Company has filed civil appeal against the order passed by SAT before Supreme Court and the matter is still pending in Supreme Court.
 - ii. The Company did not have any material foreseeable losses on long term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
 - b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
- vi. The Company has not declared or paid any dividend during the year ended 31 March 2023.

“ANNEXURE -B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENT OF BHAGAWATI GAS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Bhagawati Gas Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The Company’s Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and the Guidance Note issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, have an adequate internal financial controls system over financial reporting except as stated in our Audit Report and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statements for the year ended 31 March 2023

These plan typically expose the Company to actuarial risks such as : investment risk, interest risk, longevity risk and salary risk.

a) Investment risk

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

b) Interest risk

A decrease in the bond interest rate will increase the plan liability.

c) Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and other their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

d) Salary risk

The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

BHAGAWATI GAS LIMITED

(Formerly known as Bhagawati Gases Limited)

Summary of Significant accounting policies and other explanatory information for the year ended 31 March 2023

NOTES TO THE FINANCIAL STATEMENTS

A. CORPORATE INFORMATION

Bhagawati Gas Limited ('the Company') is a company incorporated in India. The principal activity of the Company is now cleaning & treatment of water bodies.

B. ACCOUNTING POLICIES

B.1 STATEMENT OF COMPLIANCE

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the Accounting Standards noticed under the relevant provisions of the companies Act, 2013.

Upto the year ended March 31, 2017, the Company prepared its financial statements in accordance with the requirement of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016.

B.2 BASIS OF PREPARATION AND PRESENTATION

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

B.3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment:

Under the previous GAAP (erstwhile Indian GAAP), Property Plant and Equipments, were carried in the balance sheet at historical cost. The Company has elected to regard those values of property as deemed cost as at April 1, 2016 (date of transition to Ind AS).

Recognition and de-recognition

Plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes purchase price, taxes and duties, labour cost and other direct costs incurred up to the date the asset is ready for its intended use.

BHAGAWATI GAS LIMITED

(Formerly known as Bhagawati Gases Limited)

Summary of Significant accounting policies and other explanatory information for the year ended 31 March 2023

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Projects under which assets are not ready for their intended use are shown as Capital Work-in-progress.

Gains or losses arising from de-recognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is de-recognised

Subsequent measurement (depreciation)

Depreciation on property, plant and equipment is provided to the extent of depreciable amount on the Written Down Value (WDV) Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Pursuant to the enactment of the Companies Act, 2013 (the Act), cost of leasehold improvements is being amortised over the remaining period of lease of the premises. Plant and machinery - distribution equipment is being depreciated over a period of 10 years.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(b) Leases:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Company as a lessee

Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

BHAGAWATI GAS LIMITED

(Formerly known as Bhagawati Gases Limited)

Summary of Significant accounting policies and other explanatory information for the year ended 31 March 2023

(c) Intangible assets:

Recognition and de-recognition

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

Subsequent measurement (amortisation)

The cost of intangible asset is amortized over a period of its useful life from the date of its acquisition.

Computer software is being depreciated over a period of 5 years.

(d) Development Expenses

Revenue expenditure pertaining to pre-production activity is charged to the Profit and Loss Statement. Development costs of shows are charged to the Profit and Loss Statement unless a shows's feasibility has been established, in which case such expenditure is recognised as work-in-progress.

(e) Borrowing Cost

Borrowing costs that are directly attributable to acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset when it is probable that they will result in future economic benefits to the enterprise and the costs can be measured reliably.

Other borrowing costs are recognised as an expense in the year in which they are incurred.

(f) Inventories

Items of inventories are measured at lower of cost and net realisable value.

(g) Impairment of non-financial assets

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite lives may be impaired. If any such impairment exists the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value, using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

BHAGAWATI GAS LIMITED

(Formerly known as Bhagawati Gases Limited)

Summary of Significant accounting policies and other explanatory information for the year ended 31 March 2023

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognized immediately in the statement of operations.

(h) Provisions, Contingent liabilities and Contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements.

(i) Employee Benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Profit and Loss Statement during the period in which the employee renders the related service.

Defined Benefit Plans

The liability in respect of defined benefit plans and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Actuarial gains and losses in respect of post-employment and other long term benefits are charged to the Other Comprehensive Income.

Employee Separation Costs

Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Company is charged to the Profit and Loss Statement in the year of exercise of option by the employee

(j) Taxation

The tax expense for the period comprises current and deferred tax. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In this case, the tax is also recognised in other comprehensive income and equity.

BHAGAWATI GAS LIMITED

(Formerly known as Bhagawati Gases Limited)

Summary of Significant accounting policies and other explanatory information for the year ended 31 March 2023

- Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

- Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

(k) Cash and cash equivalents

Cash and cash equivalents includes cash in hand and deposits with any qualifying financial institution repayable on demand or maturing within three months of the date of acquisition and which are subject to an insignificant risk of change in value.

(l) Foreign currencies

Company's financial statements are presented in INR, which is also its functional currency.

Transactions and balances

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss except to the extent that exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings are capitalized as cost of assets under construction. Additionally, exchange gains or losses on foreign currency borrowings taken prior to April 1, 2016 which are related to the acquisition or construction of fixed assets are adjusted in the carrying cost of such assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

(m) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

BHAGAWATI GAS LIMITED

(Formerly known as Bhagawati Gases Limited)

Summary of Significant accounting policies and other explanatory information for the year ended 31 March 2023

Revenue is recognised only if following condition are satisfied:

- The Company has transferred risks and rewards incidental to ownership to the customer;
- The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- It is probable that the economic benefit associated with the transaction will flow to the Company; and
- it can be reliably measured and it is reasonable to expect ultimate collection

(n) Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(o) Financial Instruments

Initial recognition

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are recognised using trade date accounting

II Subsequent measurement

Non Derivative Financial Instruments

(i) Financial assets carried at amortised cost (AC) :

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income (FVTOCI):

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

(iii) Financial assets at fair value through profit or loss (FVTPL):

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

(Formerly known as Bhagawati Gases Limited)

Summary of Significant accounting policies and other explanatory information for the year ended 31 March 2023

Mutual funds – All mutual funds in scope of Ind-AS 109 are measured at fair value through profit and loss (FVTPL).

Equity instruments

All equity investments in scope of Ind-AS 109 are measured at fair value either as at FVTOCI or FVTPL. The company makes such election on instrument-by-instrument basis.

For equity instruments measured as at FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in the OCI. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Impairment of financial assets

The company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Financial assets that are debt instruments and are measured as at FVTOCI
- c) Lease receivables
- d) Trade receivables or any contractual right to receive cash or another financial asset
- e) Loan commitments which are not measured as at FVTPL
- f) Financial guarantee contracts which are not measured as at FVTPL

The company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

III. De-recognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

IV. Fair value of financial instruments

In determining the fair value of its financial instruments, the company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices. All methods of assessing fair value result in general approximation of value and such value may vary from actual realization on future date.

Summary of Significant accounting policies and other explanatory information for the year ended 31 March 2023**C. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

- **Recognition of deferred tax assets** – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.
- **Evaluation of indicators for impairment of assets** – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.
- **Recoverability of advances/receivables** – At each balance sheet date, based on discussions with the respective counter-parties and internal assessment of their credit worthiness, the management assesses the recoverability of outstanding receivables and advances. Such assessment requires significant management judgement based on financial position of the counter-parties, market information and other relevant factors.
- **Defined benefit obligation (DBO)** – Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

- **Fair value measurements** - Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.
